## Hello everyone!

I hope everyone is having a lucky month! We've had a fun and busy year this year and we're excited to keep it going! I wanted to announce that next month will be Volunteer Appreciation Month! We're so excited and have some really fun things planned to celebrate you all and show how much you being here really does mean to us! Because like we always say, we can't do this without you! I also wanted to take the time to state, we understand that everyone's schedule is different and we love the help that we do receive, however, we do encourage everyone to consider signing up for a weekly slot or a biweekly slot, if you can. It helps us keep a more consistent schedule and lower our email frequency. Plus we love to see you as much as we can! With that, we also understand if this is not a possibility and we're happy that you can come whenever you have availability.

We are super lucky and blessed to have you all and thank you for everything you continue to do!

Cheers,  
Chynna

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.
