

MAY COMMUNITY CHALLENGE

WE NEED YOUR HELP
TO REACH OUR
50K MATCHING GOAL

2023 

 HSHM

Be twice as nice this May. Donate Today!

For just \$10, you can help someone in our community secure meals for the day. \$20 can allow a family to maintain health and hygiene for a week. Your contribution, no matter how small, can make a significant difference in the lives of those who need it most.

This May, we're asking for your help to complete our annual community fundraising challenge. **Some generous donors have pledged to match all donations up to \$50,000!** Your donation will provide critical resources and services for those who need them in the Bloomington/Normal community.

Be twice as nice this May and donate today! Together, we can make a significant impact and ensure that everyone in our community has access to the resources they deserve.

Thank you for your support!
